

Pump Technician

Q2 Artificial Lift Services (ALS) has 32 repair and service facilities located across Canada and the U.S. Our service locations are supported by a world-class manufacturing operation (API & ISO Certified), plus a highly skilled engineering and optimization group.

We are actively seeking an individual for the position of Pump Technician for our Levelland, Texas location.

General Responsibilities:

- Repair and service of bottom hole pumps
- Enter purchase orders and pump sheets
- Build and maintain relations with both existing and potential customers
- Other duties as assigned by supervisor

Qualifications and Experience:

- 1-3 years' experience with artificial lift systems
- Strong mechanical aptitude
- Ability to lift up to 50lbs
- Have valid driver's license
- Strong oral and written communication skills

Apply:

Please provide cover letter, resume, salary expectations, and references with attention to Human Resources.

We are an equal opportunity employer. We would like to thank everyone for their interest, however, only those candidates selected for an interview will be contacted.
